This half day camp is for young beginners who want to spend time around horses. Each day we will practice proper horsemanship while handling and caring for the horses. Students will learn how to lead, groom, bathe and feed their equine friends. This camp is for beginners and is not suitable for children with riding experience. Students will get one guided horseback ride per day. Please send your child with water, lunch, and a snack. Students must have sturdy shoes that cover the toes, long pants (jeans or stretch pants) and clothes that can get dirty, as they will be working with animals. We will provide and require all students to wear a safety helmet while on horseback.

All deposits are non-refundable. We accept cash, check, or credit card. Enrollment will not be held without a deposit.

Please enclose a nonrefundable 50% deposit with the application. Deposits are required to hold your place. Remaining balance is due 10 days prior to the start of camp.
